How has participating in high school athletics benefited you? It's given me many opportunities as a student athlete. From making memories with my teammates and coaches to earning scholarships.

What made you decide to play the sport for which you were named the Penn Station Athlete of the Month? My decision was made when I first stepped on a court at the age of four. It's always been my and my dad's thing. He's taught me everything I know.

Quote from Athletic Director: She is a nosed player who battled many injuries and never let it slow her down and has an outstanding St. Albans High School – Scott Tweedy, Basketball Coach

Quote from Principal: Jaden is an incredibly handworker both on the court and in the classroom. She exemplifies what is it to be a student-athlete. – Dale Glancy, Asst. Principle
