How has participating in high school athletics benefited you? Playing basketball has opened so many doors of opportunity that I was not aware of before.

What made you decide to play the sport for which you were named the Penn Station Athlete of the Month? I have always loved basketball since I was a little boy. I just love the game.

Quote from Coach: "Darius is well deserving of all the awards he is receiving. He has worked extremely hard on and off the court to get to where he is today. I couldn't be more proud to represent him as a coach. He's been nothing but the best." – Coach Steve Wright

Quote from Principal: "Darius is very deserving of the Penn Station Athlete of the Month Award. He is selfless and makes those around him better players and people—both on and off the court. He is a great teammate and he cares about others." -Principal, Forrest Trisler
