Greatest Achievement So Far: Placed 8th in regionals for pole vault and Ohio Capital Conference Competition Cheerleading champions and stat qualifier.

Plans After High School: I plan to pole vault in college and major in Exercise Science.

How has participating in high school athletics benefited you?

It has helped me with time management as I must balance with homework and practices. It has also kept me focused on what is important and kept me on the right track.

Quote from Athletic Director: "Jessie is a leader in our school and in the athletic arena. She supports other teams as a captain on the cheerleading squads and also is a valuable member of our track program. She is a national Honor Society student and in the Drug Free club, all of the things we want in our students!" – Molly Fessler

Quote from Principal: "Jessie's academic and athletic accomplishments speak for themselves. She is a leader in the classroom, on the field and in her social circles which make her an excellent candidate for this award." – Mark Ulbrich, Principal
