How has participating in high school athletics benefited you? Through participating in high school swimming I have learned leadership skills, team building skills, and time management.

What made you decide to play the sport for which you were named the Penn Station Athlete of the Month? I love swimming because of the friendships I have made, the opportunities it has given me, the feeling of competing, and the satisfaction after all your hard work has paid off and you achieve your goals.

Quote from Athletic Director: Madison is a dedicated and outstanding swimmer. She works out every morning and evening to be successful. Her hard work has definitely paid-off. – Dan Kyle

Quote from Principal: Madison is extremely committed to her sport and to her studies. Riley is proud of Madison and wish her success as she attends Arizona in the fall. – Shawn Henderson
