Plans After High School: Attend Valparaiso University to play volleyball and study speech pathology.

How has participating in high school athletics benefited you? It has helped me grow as a person. I have always been a leader but this has challenge me in every aspect and helped me develop into the person I am today. It shaped me into the person I want to become in the future. High school athletics have taught me very valuable lessons that I will forever cherish in my heart.

Quote from Athletic Director: Her love and enthusiasm for the game is second to none. She processes the knowledge and skill that have made her on of the best players in the area the last 4 years. Coach Dan Anderson.

Quote from Principal: Bella is the model of what a student- athlete can be at Marian. She is dedicated to pursuing excellence not only on the volleyball court but also in all her classes. She is studious, respectful and courteous in the academic environment.
