Greatest Achievement So Far: 16 varsity letters in 4 sports

Plans After High School: Attend college for elementary education and play soccer

How has participating in high school athletics benefited you? Being involved in high school athletics has benefited me because this enabled me to learn lessons such as how to sacrifice myself or the success of the team and put the tams over everything else.

Quote from Athletic Director: Kortney is a leader. She leads by example with her hard work but also vocal in her leadership to others. Josh Shattcuk Assistant AD

Quote from Principal: Kortney is an outstanding student athlete. She comes as close to perfection as you would wish for.
