How has participating in high school athletics benefited you?

High school athletics was a huge benefit in my life. It allowed me to meet some of the greatest people in the world. It also taught me how to be a good team mate and all around person.

Quote from Athletic Director: "Chris is an outstanding student athlete. We are so proud of his track and sled hockey accomplishments, even though he has achieved success in the sports arena he is even a better person. It has been a pleasure watching the young man grow the past 4 years. – Paul Boschert
