How has participating in high school athletics benefited you?

Participating in High school athletics has taught me discipline, time management and grate leadership skills. Playing high school sports has taught me how to cope with losing. In life I had to learn to lose to get better and win.

What made you decide to play the sport for which you were named the Penn Station Athlete of the Month?

Growing up as a child, I watched my brother play baseball as I grew older I naturally fell in love with the sport and began working hard at it to get better.

Quote from Athletic Director:

Tiffany is not only a good ball player but she is grounded, hardworking student and citizen. I have witnessed tiffany take great pride in every aspect of her schooling and the activities she is involved with. She strives to be the best student in the classroom and the best athlete on the field/court all of which doing with a positive attitude and pure determination of being successful. Being a 3 sport athlete, Tiffany quickly learn to manager her time, work in group situations under strict deadlines and to recognize the importance of a strong work ethics, persistence and intellectual integrity. She has long since become a very valuable member of our student-body here at McCluer South- Berkeley, and a role model for her newer classmates. Tiffany is one of our best students, a top citizen and will god down as the greatest softball player in McCluer South- Berkeley history. – Mike Clifton Head Softball Coach

Quote from Principal:

If we are discussing the best players in history of MSB in any sport, tiffany would be the person for softball. She is a high character honor student and a two- time state champion as well as a 3 sport athlete.
