How has participating in high school athletics benefited you? It has shown me how to be a leader on and off the field, be responsible and how to work hard. Also, it has given me friends that will last a lifetime.

What made you decide to play the sport for which you were named the Penn Station Athlete of the Month? I've grown up watching the sport and have been playing it since a young age.

Quote from Athletic Director: "Dante is one of those athletes that may come around once in a coach's career. Not only is he a great team player and leader, he is an even better young man off the field. Dante was a pleasure to coach the past three years, and Cooper will surely miss his leadership." -Randy Borchers, Athletic Director and Head Football Coach
