How has participating in high school athletics benefited you? High School sports have extended my love for the game and made me a harder worker in all areas, not just sports.

What made you decide to play the sport for which you were named the Penn Station Athlete of the Month? I decided to play volleyball because I wanted to play all of the sports I could my senior year.

Quote from Athletic Director: "Sammie Farrel is a three sport athlete who excels on the field and court as well as in the classroom. She is dedicated and hardworking as well as being an excellent role model for our underclassmen." –Tim Champion, Athletic Director
