Plans After High School: I plan to attend and graduate from a high caliber university and excel in both academics and athletics.

How has participating in high school athletics benefited you?

It has taught me that victory begins in the preparation. It has taught me to do my best in all things and that character and integrity are as important as winning a game.

What made you decide to play the sport for which you were named the Penn Station Athlete of the Month? I have had a passion for watching and playing football for as long as I can remember.

Quote from Athletic Director: "Austin is a multiple sport athlete who always gives 110% and never quits. He is a student leader on his teams and in the school. Austin is an exemplary athlete and student; excelling in both." –Athletic Director, Steven Berry

Quote from Principal: "Austin is such a hard worker! He is a quiet leader and a young man of character." –Principal, John Shaughnessy
