How has participating in high school athletics benefited you? It has created countless bonds and friendships that can never be broken. It has taught me what being a leader is and the amazing things that can be done when a team works together.

What made you decide to play the sport for which you were named the Penn Station Athlete of the Month? The Pit. Going to games there at a young age and seeing the guys out there playing for Elder; I knew I wanted to be like them someday.

Quote from Athletic Director: "Kyle is the student-athlete we strive to have in our program. Great student, ranked 3rd in his class, National Merit Commended student, 3-sport athlete, leader on the field and off it, competitive in everything he applies himself to, tough and comes from a great family. Just a genuine great kid." -Kevin Espelage, Athletic Director

Quote from Principal: "Thanks to Penn Station for taking the time to recognize student athletes across the city. We could not be more pleased with the selection of Kyle Trischler. Kyle is an exemplary student athlete; the type of young man Elder High School strives to produce and have emulated. He is as accomplished in the classroom as he is on the athletic endeavors." - Kurt Ruffing, Principal
