Plans After High School: I'm going to the University of Maryland. After college, I want to come back home and be a police officer.

How has participating in high school athletics benefited you? It has taught me hard work and dedication and has shown me that anything is possible.

What made you decide to play the sport for which you were named the Penn Station Athlete of the Month? All of my family members wrestled, so I was naturally just going to wrestle and I'm glad I did.

Quote from the Coach: "Lucas Byrd is one of the hardest working wrestlers I've ever been around. He's the first one in the room and the last one out. His drive for success is only matched by his personality off the mat. Lucas is a class act." -Ryan Root, Wrestling Coach

Quote from Principal: "Lucas continues to shine on the wrestling mat and beyond. He is a committed student-athlete who strives to be the best." -Aaron Marshall, Principal
