How has participating in high school athletics benefited you? I have benefitted from high school athletics because it has shown me that discipline, sacrifice and hard work are essential in achieving goals!

What made you decide to play the sport for which you were named the Penn Station Athlete of the Month? I grew up surrounded by the sport of volleyball because of my parents' love and interest in the sport. I played volleyball as soon as I could hit a ball. I love the dynamics of the game.

Quote from Athletic Director: "It has been an honor to watch Logan Case represent Ursuline Academy for the last 4 years. She is a talented student athlete who excels on the volleyball

court and in the classroom. She has been on 2 state championship teams and received numerous awards, but that is not what defines her. Logan's greatest gift is her ability to genuinely unite, inspire and care for all those around her." – Diane Redmond

Quote from Principal: "Logan Case is a tremendous student athlete who is a leader on the court as much as a leader in the classroom and school. Logan is a compassionate, intelligent and fun-loving woman who challenges herself to be a better student, a better athlete and a better person. She has a tremendous work ethic and takes great pride in representing herself, her family and Ursuline Academy." – Jill Hallahan
