How has participating in high school athletics benefited you?

Baseball and Football help me represent my school and team in the best way that I can with the gifts bestowed on me from God.

What made you decide to play the sport for which you were named the Penn Station Athlete of the Month?

Ever since a young age, I was always fascinated while watching high school football games on Friday night. I also used to attend the Coffman Baseball camp each summer. It was such an honor for me to have the high school players train and coach me. Since then it was my dream to play football and baseball for Dublin Coffman, and I have been blessed with the ability to do just that.
