Plans After High School: I plan to attend Northwestern University where I will continue my football career while earning a degree in bio-medical engineering.

How has participating in high school athletics benefited you? I have met people and doors have been opened for me that might not have been if I didn't play sports.

What made you decide to play the sport for which you were named the Penn Station Athlete of the Month? When I was little, I was very intrigued by watching the game. And I love to help my team achieve success.

Quote from Athletic Director: "Jaiden is one of the best young men you will ever meet. He is not only a great football player, but a great student and an even better young man. It has been a pleasure to see him develop as a person and student athlete. He is an exciting player to watch on the field, and we look forward to watching him at Northwestern in college." – Micah Harding

He is a student first, with his academic achievements as his primary goal. He displays high character, tremendous work ethic, and a TEAM first attitude. We are very proud of his many accomplishments." – Tony Broering
